PROFESSIONAL PROFILE

A Full Stack Web Developer passionate about developing web applications and working across technology, looking to join a company to continue to grow my skill set while contributing to the positive outcome of getting good experience.

PROJECTS

DigiMart.com - Clone

It is a cloned website of Reliance Digital. It is an Indian consumer electronics retailer which deals with electronic products.
We create a clone of DigiMart in 1 week with the help of 4 members.
Features :-
- Signup and login working.
- Products are sorting and filtering properly.
- Add to bag and the payment page is working.

Area of Responsibility :-
- My task in this collaborative project was to build the cart page and payment page of the website.

Tech Stacks :- HTML | CSS | Javascript | React Js | Chakra UI | Node Js | Express | Mongodb

Lumen5.com - Clone

Lumen5 is a video creation website that helps with marketing purposes.

I individually create a clone of Lumen5.com in 1 week.
Features :-
- Signup and login working.
- Demo video is working

Tech Stacks :- HTML | CSS | Javascript | React | Chakra UI
